Reminders and Updates

Hats and Coats

Although we have had unusually warm weather, we do need to remember hat, coats, and gloves for recess time. New England weather is unpredictable, and we need to be prepared for all recess times. Thank you

We welcome a new school nurse, Mrs. Jenny Eklund, to Hildreth Elementary School.

Jenny's many years of experience as a pediatric nurse and a school nurse made her a top quality candidate. Matched with her professionalism and warm personality, we are sure she is a fit for our school community. Please join me in welcoming her to our district. We invite you to visit her office or call and introduce yourself and help her to meet the needs of your children
