HES Reminders and Updates

Emergency Card information Very Important

Please be sure to log on to your parent accounts and update your emergency information. It is very important that we have the updates on our records.

We should have emergency contact people for your children in case you cannot be reached or have an emergency of your own. You should have received the instructions with the pink cards that were handed out by your child's teachers. If you need help with this please contact the schools front office or Sharon Schmidt at the Central. **Thank you for your prompt attention to this time sensitive matter.**

Market Math Night

On Wednesday, November 2 @ Roche Bros. Market in Acton for Grades 4 & 5 from 4:30 - 7:30 p.m. All activities can be completed in about one hour. Arrive at a time that is convenient to you. Students will be walking from "station to station". The Store will be open to the public during this math activity, so please be sure to supervise your children during this time. If you would like to volunteer to help with this activity, please contact Lisa DaRosa @ brwnsugar18@hotmail.com or Fadiya Ali @ rfali99@yahoo.com. Thank you

Band Instruments

If your child has forgotten their band instrument, please let them know that their instrument will be left on the band shelving in the room next to Mr. Gilfix's room. Please sign in at the front office and bring the instruments to that room. This will be safe location for the instruments and a central drop off area. It will help alleviate any confusion about where the instruments will be located. Thank you for your help with this matter.

Central drop off area

Please be aware to check your children's hair for head lice and nits. If you find live lice or nits please contact Sue Veno. Also please remind children not to share hats for costumes for Halloween. Thank you for your attention to this sensitive matter.
